# Embossed Foamboard

Streets Ahead present a full range of embossed XPS\* foam sheet boards for dollhouses, model making, terrain building and scale dioramas. Add to dolls house kits or build stone effect flooring and roof tiles for your miniature project.

This range is produced in 6mm thick XPS foam boards in 200mm x 400mm boards in 1/12 scale and many also available in 1/24 "Small" scale. Ready to glue and paint with any non-solvent based art supplies.

Some designs also available in double sided embossed 10mm XPS board to build 1/12 scale double sided brick and stone walls.

This range is designed and made in the UK for exclusive distribution to the miniatures trade by Streets Ahead.

\*XPS = extruded polystyrene
